I am the contracting authority for a construction or public works site in France : what are my obligations in terms of informing posted workers on the work site ?

➤ **As the contracting authority on a construction or public works site in France, I have obligations regarding information for posted workers on the site.**

You must bring to the attention of your posted workers the information on French regulations applicable to them, by posting notices at their workplace. The poster must be easily accessible and translated into one of the official languages spoken in each of the countries to which the posted workers belong.
